Location: Helsinki

I study Full Stack Web Development at the moment. What I learn at school are HTML5, CSS3, JavaScript, jQuery, UI design and prototyping, React, Redux, and Node. I also study web development at home and participate in interesting workshops.

EDUCATION

Vocational Qualification in Information and Communications Technology, Business College Helsinki, 2020-2021

Master of Arts, University of Helsinki, 28.11.2000
Cultural anthropology

WORK EXPERIENCE

The Public and Welfare Sectors' Unemployment Fund

- Team lead, 15.9.2016- (on a study leave since January 2020)
In addition to previous tasks I supervised work, assented flexible working time and wrote articles. I was the team leader of the client service team.
- Senior benefits officer, 21.3.2016-14.9.2016
I processed earnings-related unemployment allowance applications and trained and instructed others.

The Unemployment Fund for Higher Educated Employees ERKO

- Benefits officer, 10.5.2010-20.3.2016
I processed earnings-related unemployment allowance and alternation compensation applications and trained others to process alternation compensation applications as well.

The Unemployment Fund for Higher Educated

- Benefits officer, 4.5.2009-7.5.2010
I processed earnings-related unemployment allowance applications.

Koivunen Oy

- Product purchaser, 8.3.2001-30.4.2009
I purchased car chemicals from Finland and abroad. I worked also with material safety data sheets and assisted clients by the phone.
